Learning Management System (LMS)

Counselling Process

Mode of Counselling :- Online

Brief describe the provision in LMS to be used by HEI :-

RASLMS (Rishi Agastya Subharti Learning Management System) is an application for the administration, documentation, tracking, reporting, automation, and delivery of educational courses, training programs, or learning and development programs. Our learning management system concept emerged directly from e-learning

Briefly write how the Learning Management System (LMS) will ensure the following: (provide a demo link, if available) :-

<https://lms.subhartidde.com/login/index.php>

Assessment mechanism	All assessments are done via MCQ and quiz, and assignments shall be distributed and submitted online using LMS
Identified technological interface and interoperability	PHP My SQL JavaScript JQuery
Learner's Authentication Requirements	Email ID and Phone No
Learner Registration - through a web application	https://lms.subhartidde.com/login/signup.php?
Active Engagement of the Learners along with Analytics for active engagement of learners and Reporting	A report can be generated through LMS showing how many times a student logged in, the total number of assignments done by the student, and how many video lectures were watched along with the date and time
Payment Gateway –using Digital Payment system	We have a payment gateway with multiple payment options, such as debit cards, credit cards, net banking, and UPI.
Tracking the delivery of a Course or programme	When a student registers, the registration form is verified, and after cross-checking all the documents, the credentials are delivered to his email ID.
Technical Know-how or Skills Requirements	The student enters his skills during registration, and then, based on his skills, LMS provides a list of suitable courses.

Briefly write on ICT facilities available/ to be ready dedicated for the implementation of Online Courses :-

Our LMS is Built on top of the most modern web standards and technologies. The student can assess the online videos at the ease of his timeline and schedule. The student can ask questions at any point in time, chat, and have the liberty to self-assess. He/She can learn at his/her own pace. And login to access the content 'n' several times. We have the option to build courses by re-using presentations or videos you already have or by consuming content from web sources. Students can also chat with other students or faculty. Students can also participate in quizzes or MCQs. Our LMS has extensive reporting about everything within the e-learning environment. A timeline of all system actions for access to what happened, by whom, and when. In case the student has any queries he can request a live online session with the teacher also. We try to update the curriculum regularly- and subsequently the video uploads/video content for the students. The related reading materials are also uploaded
